

Hospital School connections

Term 2 2014

Congratulations on your retirement Jane

After many years tirelessly teaching terrific and sometimes troubled students Jane Bowen has retired from teaching. Jane was Principal at Royal North Shore Hospital School and has held the position of President and Secretary of our association. We will dearly miss Janes valued input and direction. Jane has been a passionate Teacher /Principal and has positively impacted the community at Royal North Shore Hospital School as was evident by her send off at the hospital and the article in the North Shore Times last term.

Jane was also farewelled at a function at The Grace Hotel on May 30th. Family, close friends and work colleagues were in attendance, a lovely meal was served and Jane was entertained by all of us as we sang a reworked song by close friends an ex-colleagues Lynne and Lynden.

Best wishes for your retirement Jane from NSW Hospital Schools Association Incorporated.

International Nurses Day celebrations at St George Hospital school on Monday 12th May. The cake was baked and decorated by the students.
